**Management Discussion and Analysis Report****Industry structure and Developments**

The footwear sector holds a prominent position within India's leather industry, driving growth and innovation. India ranks as the world's second-largest footwear producer, contributing about 9% to the global footwear production. The domestic market consumes approximately 90% of India's footwear production, while the remaining is exported. Projections indicate that the footwear market could achieve a valuation of USD 82,000 Crore by 2025. In terms of manufacturing volume, India stands as the second-largest footwear manufacturer globally, with a substantial focus on the domestic market.

The sector's expansion is spurred by growing consumer affinity for branded products and a preference for premium footwear. Lifestyle shifts, evolving buying patterns, and the influence of social media have caused dynamic changes in fashion trends, significantly impacting the footwear industry. Moreover, the rise in fitness awareness has propelled demand for footwear, especially within the branded category.

As disposable incomes rise, consumers are gravitating toward higher-value footwear products, leading to the emergence of new segments focusing on aesthetics, performance, and pricing. This evolution stimulates innovation and diversification across the industry.

The Footwear sector is now de-licensed and de-reserved, paving the way for expansion of capacities on modern lines with state-of-the-art machinery. To further assist this process, the Government has permitted 100% Foreign Direct Investment through the automatic route for the footwear sector.

While the industry exhibits remarkable growth potential, it is not without its challenges. The presence of an unorganized sector poses pricing challenges to branded products, urging industry players to emphasize innovation and technology-driven marketing approaches. At the same time, sourcing skilled workforce in response to surging demand presents a tangible challenge across various manufacturing processes.

The challenge for Indian Footwear Industry is large but anticipating India to become amongst top 5 Superpowers by 2030, our consumption rates can reach as high as 7-8 Pairs. In such a scenario, India would need to produce anywhere between 8-10 billion pairs yearly.

According to the global footwear market – industry trends and forecast to 2028 report published by Research Dive, the footwear market is expected to grow at 12.83% in the forecast up to 2028, which is expected annual growth 4.84% CGAR (Compounded annual growth rate) between 2023-2028. Further, the demand for fashionable, trendy, athletic, and sports shoes has opened the scope of development and growth for the footwear Industry.

**Opportunities**

The Indian footwear and leather industry is export-oriented and the government is taking initiatives to increase the leather and footwear export. Under the National Skill Certification & Monetary Reward Scheme, large number of youth have been trained for various jobs in the leather and footwear industry since July 2015. Indian government has taken ample initiatives to promote make in India programme, giving huge impetus to Indian leather industry. The landscape offers abundant opportunities. The Indian footwear and leather industry has an export-oriented approach, and the government is actively fostering leather and footwear exports. The "Atmanirbhar Bharat" initiative, aimed at boosting domestic production across sectors, creates an enabling environment for expansion and new ventures.

The footwear sector is identified as a champion sector in the "Make in India 2" initiative, underscoring its potential to generate employment and contribute to foreign exchange earnings. Government policies, favorable state regulations for e-commerce, and growing consumer acceptance have opened up new marketing channels, tapping into previously unexplored market potential. Government initiatives, such as FDI allowances and a strong emphasis on skill development, further fortify the footwear sector. Initiatives like the Indian Footwear and Leather Development Programme (IFLDP) are geared toward enhancing infrastructure, production capacity, investments, and employment opportunities within the leather industry.

Further, Government has taken various initiatives for the footwear sector including 100% FDI under the automatic route in single brand, up to 51% FDI for multi brand, and hiking custom duty on footwear products. Moreover, there has been focus on skill development in the sector under National Skill Certification and Monetary Reward Scheme of the National Skill Development Corporation, and the Human Resources Development sub-scheme under ILDP implemented by DPIIT.

**Threats**

A large section of the footwear industry still remains unorganized in nature and offers a strong price competition to those dealing in branded products, forcing them to rely on innovation and technology enabled marketing solutions. Sourcing skilled workforce in wake of increasing demand poses a real challenge across manufacturing processes.

The industry operates in a complex regulatory environment. Any change in the laws and regulations governing the footwear industry may affect the business and financial performance of the industry.

Adverse effects of supply chain turbulence, increasing raw material costs and inflation pressures may necessitate an out of the box and innovative strategic thought process to maintain profitability. Ongoing geo political tensions in Europe and other parts of the world may also disturb the growth momentum.

**Segment-Wise Performance**

The Company's business segments is only Shoe Division. During the year under review, revenue from the Shoe Division decreased to 0.99 Crore as against 7.92 Crore in the previous year.

**ISO CERTIFICATION**

Your Company has successfully completed its certification audit for a period of three (3) years for the ISO 9001:2015, 14001:2015 and 45001:2018, thereby meeting the global quality and international standards.

**Details of significant changes in key financial ratios alongwith explanation**

The Company has no significant changes during the year.

**Future Outlook**

The Indian footwear and leather industry is categorized into two segments: leather and non-leather. The non-leather footwear sector offers substantial growth potential. Globally, non-leather footwear comprises 86% of total footwear consumption by volume.

Also Indian Footwear industry is generally competitive and considering the positive business conditions developing, outlook for Footwear appears to be good. The Company is actively engaged in taking appropriate steps to grab these opportunities in order to improve its market share.

**Risks and Concerns**

While global economic recovery is underway, uncertainties persist. The competitive landscape of the footwear industry, evolving consumer preferences, and government initiatives collectively shape a promising outlook. However, challenges such as unorganized competition, potential policy alterations, economic volatility, and supply chain disruptions need to be navigated adeptly.

Further the Chinese Products, Non-Leather goods, Counterfeit products and technology obsolescence are the risk factors of footwear industry. Besides that, the Government policies and volatile economic environment have a bearing on the overall performance of the company. Continuous Quality Improvement as well as maintaining a balance between the quality and price of products is the need of hour as there are different demand pattern all over the world.

Your Company acknowledges the fact that competition from both domestic and international players is increasing every passing day.. Your Company acknowledges that continuous changes will have to be made in the product portfolio mix, so that company will not lose relevance to the millennials and the increasing youth population of India. The Company monitors its major risks and concerns at regular intervals. Appropriate steps are taken in consultation with all concerned of the Board to identify and mitigate such risks.

**Strength, Internal Control Systems and their Adequacy**

High employee retention rates reflect effective management practices, fostering satisfaction and loyalty. The company demonstrates steadfastness in loan repayments and compliance with applicable guidelines and standards as a listed entity.

The Company's internal control systems are commensurate with the nature and size of its business. These systems ensure that all assets of the Company are safeguarded and protected against any loss or damage and that all transactions are properly authorized, recorded and accounted for..

Further Company is also taken initiatives to maintain proactive approach to reduce waste to ensure that the waste poses no threat to the environment and maintained within the guidelines provided by the government. In addition to the above elimination of total waste is not possible. There will always be some waste that cannot be prevented at the source. Where waste material is produced, an optimal end-of-life treatment option selected with the lowest possible risks to human health and the environment Such as Reuse, Recycling.

**Material Developments in Human Resources/ Industrial Relations Front, Including Number of People Employed**

It is the Company's firm belief that its people constitute the primary source of its sustainable competitive advantage. For success in the footwear market, skills and workmanship are important to create superior products with excellent finish and to accomplish the same, Company regularly strives to train and equip its employees as per the Industry demand.

**Cautionary Statement**

Statement in this Management Discussion and Analysis describing the Company's objective, projects, estimates and expectations may be 'forward-looking statement' within the meaning of applicable laws and regulations. Actual results may vary significantly from the forward-looking statements contained in this document due to various risks and uncertainties. Several factors could make a significant difference to the Company's operations. These include economic conditions, government regulations and tax laws, political situation, natural calamities, among others, over which the Company does not have any direct control.

**Concluding Remarks**

In conclusion, the Indian footwear industry presents a dynamic blend of challenges and opportunities. While navigating competition from unorganized players and regulatory uncertainties, it stands to gain from proactive government initiatives, growing consumer demands, and a flourishing export market. The company is well-positioned for growth, leveraging its strengths and embracing best practices. It's important to acknowledge that forward-looking statements inherently carry uncertainties, which could lead to actual results differing from projections.

## INDEPENDENT AUDITOR'S REPORT ON STANDALONE FINANCIAL STATEMENTS

To, The Board of Directors,  
ACE EXPORTS LIMITED,  
20/157, PATKAPUR, KANPUR-208 001, UTTAR PRADESH

### Opinion

We have audited the accompanying standalone financial statements of **Ace Exports Limited ("the Company")** for the quarter and year ended **31<sup>st</sup> March, 2024**, which comprise the Balance Sheet as at March 31, 2024, the statement of profit and loss, statement of changes in equity and the cash flow statements for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us these standalone financial statements:

- i. give the information required by Companies Act, 2013 ("the Act") in the manner so required; and
- ii. give a true and fair view in conformity with the Indian accounting standards prescribed under section 133 of the Act read with the companies (Indian Accounting Standard) Rules, 2015, as amended and other accounting principles generally accepted in India of the state of affairs of the company, the loss and other comprehensive income and other financial information for the quarter and year ended **31<sup>st</sup> March, 2024**.

### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibilities for the Standalone Financial Statements**

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, Statement of Changes in Equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the standalone financial statements of the Company to express an opinion thereon.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

## **"Annexure B" to the Independent Auditors' Report**

Referred to in paragraph "e" under 'Report on Other Legal & Regulatory Requirements' of our Report of even date to the financial statements of **Ace Exports Limited** for the year ended March 31, 2024.

### **Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Ace Exports Limited** ("the Company") as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls:**

The Board of Directors and Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's judgment, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect

the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of Management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the Company is in the process of implementing, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting is gradually operating as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India as applicable.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31st, 2024

### ANNEXURE - 1

#### 1- Significant Accounting Policies

##### 1.1 Basis of Accounting

- 1.1.1** The financial statements have been prepared under the historical cost convention, in accordance with generally accepted accounting principles in India and the Accounting Standards issued by the Institute of Chartered Accountants of India and referred to in Section 133 of the Companies Act 2013 read together with paragraph 7 of the Companies (Accounts) Rules 2014.
- 1.1.2** The fundamental accounting assumptions relating to going concern, consistency and accrual have been followed.
- 1.1.3** Accounting concepts followed during the year are prudence, substance over form and materiality.
- 1.1.4** Accounting Policies not specifically referred to otherwise be consistent and in consonance with Generally Accepted Accounting Principles consistently followed by the company.

##### 1.1.5 Use of Estimates

The preparation and presentation of financial statements requires estimates and assumptions and/or revised estimates and assumptions to be made that affect the reported amount of assets and liabilities and disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Differences between the actual results and estimates are recognised in the period in which the results are known /materialised.

- 1.1.6** Exports Incentives are accounted for to the extent considered receivable by the Management.

##### 1.2 Property, Plant and Equipment:

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and accumulated impairment, if any.

Cost includes financing cost relating to borrowed funds attributable to the construction or acquisition of qualifying tangible assets up to the date the assets are ready for use.

Depreciation is provided on written down value basis for property, plant and equipment so as to expense the depreciable amount, i.e. the cost less estimated residual value, over its estimated useful lives. The estimated useful lives and residual values are reviewed annually and the effect of any changes in estimate is accounted for on a prospective basis.

When an asset is scrapped or otherwise disposed off, the cost and related depreciation are removed from the books of account and resultant profit or loss, if any, is reflected in the Statement of Profit and Loss. The management's estimate of useful lives are in accordance with Schedule II to the Companies Act, 2013

##### 1.3 Inventories

Inventories comprise all costs of purchase, conversion and other costs incurred in bringing the inventories to their present location and condition.

Raw materials and bought out components are valued at the lower of cost or net realisable value.

Cost is determined on the basis of the First in First Out Method. Finished goods produced, stock in trade, manufactured components and work-in-progress are carried at cost or net realisable value whichever is lower.

##### 1.4 Gratuity:

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 to 30 days salary payable for each completed year of service. Vesting occurs upon completion of five years of service. For this purpose, the company maintains unfunded provision.

##### 1.5 Exchange Rate Fluctuation:

Transactions in foreign currencies i.e. other than the Company's functional currency of Indian Rupees are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are translated at the functional currency using exchange rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value is determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

## 1.6 Earning Per Share

The earning considered in ascertaining the company's earning per share comprises the net profit/(loss) for the period attributable to equity shareholders. The number of shares used in computing basic earning per share is the weighted average number of shares outstanding during the year.

## 1.7 Accounting for Taxes on Income

Provision for current income tax is made on the taxable income using the applicable tax rules and tax laws. Deferred tax arising on account of timing difference and which are capable of reversal in one or more subsequent periods, is recognised using the tax rates and tax laws that have enacted or substantively enacted. The Company has not accounted for deferred tax assets/liabilities on account of unabsorbed depreciation available under the Income Tax Act 1961( In View of past losses).

1.8 VAT claims are accounted for in the years in which VAT assessment is finalised by the Department.

## 1.9 Revenue Recognition

The Company recognises revenues on the sale of products, net of discounts and sales incentives, when the products are delivered to the dealer / customer or when delivered to the carrier for export sales, which is when risks and rewards of ownership pass to the dealer / customer. Sales include income from services, and exchange fluctuations relating to export receivables. Sales include export and other recurring and non-recurring incentives from the Government at the national and state levels. Sale of products is presented gross of excise duty where applicable, and net of other indirect taxes. Revenues are recognised when collectability of the resulting receivables is reasonably assured. Dividend from investments is recognized when the right to receive the payment is established and when no significant uncertainty as to measurability or collectability exists. Interest income is recognized on the time basis determined by the amount outstanding and the rate applicable and where no significant uncertainty as to measurability or collectability exists.

## 1.10 Provident Fund:

The eligible employees of the Company are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary (currently 12% of employees' salary). The contributions as specified under the law are made to the provident fund and pension fund set up as irrevocable trust by the Company . The Company is generally liable for annual contributions and any shortfall in the fund assets based on the government specified minimum rates of return or pension and recognises such contributions and shortfall, if any, as an expense in the year incurred.

## 1.11 Investments:

Long term investments are stated at cost less other than temporary diminution in value, if any. Current investments are stated at lower of cost and fair value. Fair value of investments in mutual funds are determined on a portfolio basis.

## 1.12 Segment Reporting:

The Company is primarily, a Leather Footwear manufacturing Company. Other activities do not contribute significantly to the company's business. Therefore there are no separate reportable segments as defined by Ind AS-108

## 1.13 Borrowing costs:

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

**1.14 Contingent liabilities:**

The company records a liability for any claims where a potential loss is probable and capable of being estimated and discloses such matters in its financial statements, if material. For potential losses that are considered possible, but not probable, the Company provides disclosure in the financial statements but does not record a liability in its accounts unless the loss becomes probable.

**1.15** Balances in the accounts of Trade receivables, Trade payable, advances to suppliers, Contract Liabilities, security deposits and other advances are under confirmation/reconciliation. Adjustments, if any will be made on completion of such review/reconciliation/receipt of confirmations. However in the opinion of the management, the Trade Receivable, trade payables, security deposits and advances are realisable /payable in the ordinary course of the business

**1.16 Provisions:**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When provision is measured using the cash flow estimated to settle the present obligation, its carrying amount is the present value of these cash flows (when the effect of the time value of money is material).

**1.17 Derecognition of Financial Assets**

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all of the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for the amount it may have to pay

**1.18 Impairment of Financial Asset:**

The company assesses at each date of balance sheet whether a financial asset or a company of financial asset is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financial transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses are measured at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

**1.19 Leases:**

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116 and this may require significant judgment. The Company also uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend or terminate the lease if the Company is reasonably certain based on relevant facts and circumstances that the option to extend or terminate will be exercised. If there is a change in facts and circumstances, the expected lease term is revised accordingly.

**1.20 Non-Current Assets Held for Sale:**

Non-current assets or disposal groups are classified as held for sale if its carrying amount will be recovered principally through a sale transaction rather than through continuing use. To classify as held for sale, the asset must be available for immediate sale in its present condition, its sale must be highly probable and is marketed for sale at a price that is reasonable in relation to its current fair value. The Group must also be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.
