

JOINT PRESS RELEASE BY ALL EXCHANGES

Mumbai, 20 July 2024

On July 19, 2024, there was a global outage of Microsoft Systems. This outage has been reported to have caused disruptions across various sectors globally.

In India, all Exchanges and Clearing Corporations functioned without any impact. Out of the 1400+ trading members ecosystem, there were 11 trading members who reported disruptions to their operations, which were either resolved during the day, or are being resolved.

Overall, Exchanges & Clearing Corporations have not witnessed any significant impact to the trading and clearing activities in Indian securities market.

About National Stock Exchange of India Limited (NSE):

National Stock Exchange of India (NSE) is the world's largest derivatives exchange by trading volume (contracts) as per the statistics maintained by Futures Industry Association (FIA) for calendar year 2023. NSE is ranked 3rd in the world in equity segment by number of trades (electronic order book) in 2023, as per the statistics maintained by World Federation of Exchanges (WFE). NSE was the first exchange in India to implement electronic or screen-based trading. It began operations in 1994 and is ranked as the largest stock exchange in India in terms of total and average daily turnover for equity shares every year since 1995, based on SEBI data. NSE has a fully integrated business model comprising exchange listings, trading services, clearing and settlement services, indices, market data feeds, technology solutions and financial education offerings. NSE also oversees compliance by trading, clearing members and listed companies with the rules and regulations of SEBI and the exchange. NSE is a pioneer in technology and ensures the reliability and performance of its systems through a culture of innovation and investment in technology.

About National Commodity & Derivatives Exchange Limited (NCDEX):

National Commodity & Derivatives Exchange Limited (NCDEX) is a professionally managed on-line, multi commodity exchange focusing on revolutionizing India's agricultural sector. NCDEX

is India's largest agricultural derivatives exchange. NCDEX was incorporated on April 23, 2003 as a public limited company and commenced operations on December 15, 2003 as a recognized association under The Forward Contracts (Regulation) Act, 1952. Effective September 28, 2015, the Exchange became a deemed recognized stock exchange under the Securities Contracts (Regulation) Act, 1956 under the regulation of Securities and Exchange Board of India (SEBI). NCDEX's Raison d'etre is to serve as an efficient platform for Price Discovery and Price Risk Management and this has been consistently demonstrated over the past two decades. We offer a diverse range of products such as commodity futures, options in goods and index futures that open a plethora of opportunities to cater to the needs of various sets of participants in the agri value chain. Our product basket has been evolving over the years and it is our endeavor to have an expanding product portfolio including agri and non agri commodities and also offer financial products like different types of indices. Technology is core to Exchange functioning and we are the first domestic Exchange to operate from an Uptime-certified Tier-IV data centre. The larger NCDEX Group through its subsidiaries, provides an integrated and holistic market infrastructure including Clearing & Settlement services, Repository services and even an e-Auction Platform. NCDEX is deeply committed to the national objective of upliftment and development of farmers and agricultural sector in general and our relentless efforts to connect the primary producer to the Exchange has paved the way for sustainable and inclusive growth of our agrarian economy.
